	 According to an order of the Central Political Affairs Yuan* of 1 November Chinese males under thirty-five, planning to go to Hong Kong or Hacao, must obtain a certificate from a government authority of bureau (chu) or higher level. With this certificate application for permission to travel is made to the Political Security Department of a higher level administrative area. Applicants are not permitted to leave his place of residence until the permit is granted. The Public Security Department of the East China Administrative District has circulated these regulations with orders that they be strictly enforced. 						
		3. Since these regulations do not apply to the Central and South China Administrative District, it is possible for men of military age from other districts to avoid them by going to Canton with permission and going to Hong Kong or Hacao from there. On their return to their place of residence they morely present for cancellation their permit to travel to Canton, which has been endorsed by the Public Security Bureau there.
